The Bulldog Club Ontario Referral Service is provided in an effort to direct prospective buyers of purebred bulldogs to reliable breeders. These breeders have been approved by the executive and are members in good standing. The individual listings do not constitute any endorsement by the Bulldog Club of Ontario. The Bulldog Club of Ontario does not recommend, guarantee, endorse or rate breeders or their Bulldogs. Buyers are responsible to ask any breeder they contact any pertinent questions, and check all matters relating to Canadian Kennel Club registration, health, and quality before making any decision.
